

AmeriCorps VISTA

Mercy Center for Women / Lake Effect Leaders
Erie, PA 16504

\$12,000 - \$13,000 a year - Full-time

Full Job Description

The Mercy Center for Women project goal is to provide individualized support services in a safe, healthy environment enabling graduates to move into safe and affordable housing, giving them the skill sets so they do not relapse into homelessness. With MCW, individuals receive the educational, financial, and emotional support they need to help break the cycle of poverty. The Mentor Corps VISTA project will build capacity for Mercy Center for Women by developing community resources and other support required to sustain and expand the past success of MCW's housing program.

Member Duties: To help ensure that individuals and families will not relapse into homelessness but will receive the educational, financial, and emotional support they need to help them break the cycle of poverty, the Mentor Corps VISTA project will build capacity for Mercy Center for Women by developing a sustainable 'Tool-Box' of resources, with guidelines and resources to manage the system and assure its success, for MCW's housing program. VISTA activities will include outreach to community organizations, researching best practices to ensure the effectiveness of the program, expanding networks and procuring financial resources.

Program Benefits: Cohort Model , Choice of Education Award or End of Service Stipend , Health Coverage* , Relocation Allowance , Living Allowance , Childcare assistance if eligible , Training .
